Class Descriptions

Ballet provides the base for all technical dance styles, combining strength, poise, fluidity and grace.

Tap has roots in African and Irish cultures focusing on rhythm and percussion using a variety of musical genres.

Jazz is high energy, focusing on dynamic movements and developing strength and flexibility.

Musical Theatre is a class which includes acting, singing and dancing as in popular musicals such as "The Sound Of Music", and "Mary Poppins".

Hip Hop is a class in which students learn techniques such as bounce, groove and isolations exploring a variety of styles.

Acro is a combination of dance technique with tumbling & limbering skills such as cartwheels, bridges, hand-stands and walkovers.
